Elegant combination of shape, function and materials. A smart choice of volumes, and chrome surfaces that create a perfect balance between functional and operational service elements. An eclectic solution, not just an image, for every need of furniture.

.8

Elegante combinação de formas, função e materiais. A escolha inteligente de volumes e superfícies cromadas que criam um equilíbrio perfeito entre elementos de serviço funcionais e operacionais. Uma solução eclética, e não apenas uma imagem, para todas as necessidades de mobiliário.

Integrated electrification on the desktop and on the underlying structure. The technical elements, materials and details combine a design that enhances quality, comfort and representativeness.

.10

Eletrificação integrado no ambiente de trabalho e na estrutura subjacente. Os elementos técnicos, materiais e detalhes combinam um design que melhora a qualidade, conforto e representatividade.

.11

Combining materials of prestige and absolute minimalism, this is the feature of the meeting tables, a system in which the simplicity of the structures that supports the surfaces connects with the world.

Combinação absoluta de materiais de prestígio e minimalista ,com uma funcionalidade das mesas de reunião, um sistema em que a simplicidade das estruturas que suportam as superfícies se conecta com o mundo.

President

Not only a system of storing containers, but a tool for organizing and completing the space and work. Straight and essential lines integrates with the large desks.

não é apenas um sistema de armazenamento, mas uma ferramenta para organizar e completar o espaço e trabalho. As linhas retas e essenciais integram-se com as grandes mesas.
